Name: Suravi Akhter

Address: Kabi Sufia Kamal Hall, University of Dhaka

Telephone: 01710528554

Email: bsse0827@iit.du.ac.bd

Profile

I'm studying in Software Engineering at Institute of Information Technology, University of Dhaka. Now I'm 3rd year 1st semester running student at this institute. I am a dedicated, organized and methodical individual. I have good interpersonal skills, am an excellent team worker and am keen and very willing to learn and develop new skills. I am reliable and dependable and often seek new responsibilities within a wide range of employment areas. I have an active and dynamic approach to work and getting things done. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines.

Objective

I want to be a good software developer. Now looking to secure a challenging and rewarding new role within the software industry, where skills, knowledge and expertise gained throughout previous experience in the IT sector can be transferred across and utilised to best effect for the benefit of your organisation.
